To whom it may concern,

Please find the attached accreditation status for our District. As we continue to strive for academic excellence, we have received additional support from the Texas Education Agency to support our educational programs. Additionally, we have received several grants to support our diverse learners:

- School Transformation
- Pathways in Technology, Early College High School
- Industry Cluster Innovative Academies
- Teacher Leadership
- Increased tutorial time (before, during, afterschool and Saturday)

Educating your child is a high priority for us and we will continue to press towards the mark of excellence.

Thank you for allowing us to be an intricate part of your child's educational journey!

Lula Turnipseed, M.Ed

Superintendent, Priority Charter School
